SUPPLEMENTARY INFORMATION

Background

On June 3, 2013, the Department published the notice of initiation of the sunset reviews

of the antidumping duty orders on wire rod from Brazil, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine, pursuant to section 751(c) of the Act. *See Initiation of Five-Year (“Sunset”) Reviews*, 78 FR 33063 (June 3, 2013) (“*Notice of Initiation*”). The Department received a notice of intent to participate from the following domestic parties: Schnitzer Steel Industries, Inc., DBA Cascade Steel Rolling Mills, Inc.; Arcelor Mittal USA LLC;¹ Evraz Rocky Mountain Steel Mills; Gerdau Ameristeel U.S. Inc.; Keystone Consolidated Industries, Inc.; and Nucor Corporation within the deadline specified in 19 CFR 351.218(d)(1)(i). Each of the companies claimed interested party status under section 771(9)(C) of the Act as a producer in the United States of a domestic like product.

On July 2, 2013, the Department received adequate substantive responses from the domestic interested parties identified above within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).² The Department received no responses from respondent interested parties with respect to any of the orders covered by these sunset reviews. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department has conducted expedited (120-day) sunset reviews of the antidumping duty orders on wire rod from Brazil, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine.

¹ Arcelor Mittal USA LLC is not participating in the sunset review of the antidumping duty order on wire rod from Trinidad and Tobago.

² Gerdau Ameristeel U.S. Inc. reported that it is a subsidiary of Gerdau Ameristeel Corp., which is a wholly-owned subsidiary of Gerdau S.A. of Brazil. Evraz Rocky Mountain Steel reported that it is doing business as CF&I Steel LP, which is majority-owned by Evraz Inc. NA and that Evraz Inc. NA is wholly-owned by the Evraz Group, S.A. of Russia. ArcelorMittal USA reported that it is a wholly-owned subsidiary of ArcelorMittal S.A., a company headquartered in Luxembourg. Pursuant to section 771(4)(B) of the Act, a domestic interested party may be excluded from participating as part of the domestic industry if it is related to an exporter of subject merchandise. In these sunset reviews, even if we excluded these three parties from participating as part of the domestic industry, there would still be sufficient participation by other domestic interested parties to merit sunset reviews of the orders.

Scope of the Orders

The merchandise subject to these orders is certain hot-rolled products of carbon steel and alloy steel, in coils, of approximately round cross section, 5.00 mm or more, but less than 19.00 mm, in solid cross-sectional diameter. The full scope language of each of the antidumping duty orders is listed in the Issues and Decision Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, dated concurrently with this notice (“Issues and Decision Memorandum”), which is hereby adopted by this notice.

The merchandise is currently classifiable under the following subheadings of the Harmonized Tariff Schedule of the United States (“HTSUS”): 7213.91.3011, 7213.91.3015, 7213.91.3020, 7213.91.3093, 7213.91.4500, 7213.91.6000, 7213.99.0030, 7213.99.0060, 7213.99.0090, 7227.20.0030, 7227.20.0080, 7227.90.6010, 7227.90.6020, and 7227.90.6085 of the HTSUS. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of these orders is dispositive.
